MAY MEETING

WEDNESDAY, MAY 15, 2013

Wisconsin Bird Conservation Initiative (WBCI) and Bird Monitoring

Andy Paulios will talk about the Wisconsin Bird Conservation Initiative (WBCI) and Bird Monitoring. Paulios is the coordinator for the WBCI, a partnership of over 160 organizations, agencies and businesses across the state, working together to conserve Wisconsin's bird populations through planning, monitoring habitat conservation, education and outreach.

WBCI goals are to keep partners up-to-date on relevant current events, including diseases, pesticides, tower kills, effects of free-ranging cats on bird populations, road mortality, window collisions, and other topics through regular communication and to recommend strategies to address problems such as how best to reduce overabundant populations that are in conflict with other wildlife and humans.

This event will begin at 7:00 PM and will be held in the basement meeting room of the Ho-Chunk Nation building at 724 Main Street, La Crosse. This is on the south side of Main street and across 8th street from the Main Branch of the La Crosse Public Library.

MARCH MEETING

WEDNESDAY, MARCH 20, 2013

Environmental Education Camp in Russia

Alyssa Jarosh and Barb Thompson will be talking about their experience of starting a new environmental education camp in Russia. The connection began through the International Crane Foundation. The migration of cranes led Barb and others to developing a camp in eastern Russia. Through various connections Barb was asked to develop a new camp, in partnership with an already functioning camp on the White Sea. Their passion is to teach children around the world the importance of taking care of our planet. They also provided many learning experiences through activities, a very different way for Russian children to learn.

This event will begin at 7:00 PM and will be held in the basement meeting room of the Ho-Chunk Nation building at 724 Main Street, La Crosse. This is on the south side of Main street and across 8th street from the Main Branch of the La Crosse Public Library.

The program is free and open to the public.

FEBRUARY MEETING
