Join us to learn more about the Whooping Cranes of Necedah Wildlife Refuge.

The program is free and open to the public.

OCTOBER MEETING

WEDNESDAY, OCTOBER 19, 2016

The Language of Birds

Jonathan Poppele will share a bit about how birds communicate with one another and how we can begin to understand what they are saying.

The program is free and open to the public.

SEPTEMBER MEETING

WEDNESDAY, SEPTEMBER 21, 2016

Bald Eagle Status and Monitoring in Wisconsin

Daniel Goltz of the WI-DNR will review eagle nesting surveys in Wisconsin, causes of mortality, and an ongoing study using eagles as an indicator of environmental contaminants. Photos of eagle nest will show research techniques, eaglet development, prey items and nest site characteristics.

The program is free and open to the public.

JUNE MEETING

WEDNESDAY, JUNE 15, 2016

Annual Potluck

We will be having a potluck and field trip for our June meeting. We will be meeting at 6:00 pm at the gun shelter at Myrick Park, it is right next to the Eco building. Bring a dish to pass, your own drinks and eating utensils. After we have eaten we will take a walk

thru the marsh.

The program is free and open to the public.

MAY MEETING

WEDNESDAY, MAY 18, 2016

WI Breeding Bird Atlas II

Mike Reese and Bill Mueller will present on the Wisconsin Breeding Bird Atlas II project. Even if you don't have your own atlas block, you can still contribute to this major citizen science project. Join us to learn how!

The program is free and open to the public.

APRIL MEETING

WEDNESDAY, APRIL 20, 2016

Spring Warbler Identification

Scott Puchalski will help us refresh our spring warbler ID skills with his program.

The program is free and open to the public.

MARCH MEETING

WEDNESDAY, MARCH 16, 2016

Waterfowl Identification

The March Meeting will be a presentation by Jim Nissen. Jim is the former La Crosse district manager of the US Fish and Wildlife Service. He will be giving a presentation on the Identification of Ducks in the Upper Midwest.

This is a good chance for you to find out how to tell who's who when the ducks move north this Spring.

The program is free and open to the public.

FEBRUARY MEETING

WEDNESDAY, FEBRUARY 17, 2016

A Look at Wildlife Rehabilitation

The February Meeting is this Wednesday the 17th at 7pm. Doors open at 6:15. This months presenter will be Merv and Sue Broton of the Coulee Region Wildlife Rehab Center. They will be speaking on there 20 plus years of working with wildlife and will have live Red-tailed Hawk. There also will be an oppourtunity to donate financially to help keep this fine organization with the work that they do.

Don't miss this opportunity to learn more about great work helping wildlife that is happening in the Coulee Region.

The program is free and open to the public.

JANUARY MEETING

WEDNESDAY, JANUARY 19, 2016

Pot Luck and Annual Meeting

The January meeting is our Annual meeting and potluck. The potluck will start at 6:00 and all are encouraged to attend. If you would like to take part, bring a dish to pass and your own plates and silverware. Coulee Audubon will provide lemonade and milk and there will be water and coffee available as well. If you would prefer a different beverage with your meal, please bring it along.

Our annual meeting will start at 7:00 PM. For those that would prefer to not take part in the potluck, you are welcome to come at that time. The annual meeting will be a short business meeting which will include an election of 3 board positions and a few other items.

After our annual meeting is completed, we will have a photo sharing event. We will turn over the floor to any member who would like to share nature-related photographs. A notebook computer and projector will be set up and it can display picture files and/or PowerPoint presentations. To be fair to all, if you would like to share your pictures, please limit yourself to no more than 25 pictures. We have many great photographers in the group and this is always a great event.

The program is free and open to the public.
